What to Expect

Our lambs are processed late summer through late fall. The meat is frozen and packed in a travel-safe cardboard box for pick-up at the farm. A full lamb share fits in a standard milk crate.

A \$60 deposit for a full lamb share and a \$35 deposit for a half lamb share is due when placing your order. When hanging weight is available from the butcher, the remaining balance will be calculated and is payable on the pick-up date. As fall approaches, we will contact you regarding pick-up details.

Full lamb shares are offered for \$7.25 per pound hanging weight and half lamb shares are offered at \$8.25 per pound hanging weight. Full lamb shares range in weight from 30 to 60 pounds and average around 40 pounds hanging weight, making the average price for a whole lamb share \$280. The actual price cannot be determined until the lamb is processed, which occurs shortly before your pick-up date. In turn, the trimmed weight is approximately 60% of the hanging weight. Our standard cut list generally includes:

Full Lamb Share

- 2 Racks of lamb
- 2 Packages of 4 loin chops each
- 1 Boneless butterflied leg of lamb (great for grilling)
- 1 Whole leg roast (bone-in)
- 2 Shanks
- 1 Boneless shoulder roast
- 2-4 Packages kabob/stew meat (1-2 lbs. each)
- 2-3 Packages ground lamb (1-2 lbs each)

Half Lamb Share

- 1 Boneless butterflied leg of lamb
